ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any, non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to June 7, 1974. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Application blanks and detailed instructions concerning admission procedures and regulations may be obtained from the offices outlined below:

Undergraduate Students - Undergraduate Admission Office, Room 158, Administration Building.

Graduate Students - Graduate Admission Office, Room 158, Administration Building.

Adult Special Students - The Division of Continuing Studies, Room 134, Administration Building.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the spring semester. Undergraduate or graduate former students desiring to be readmitted may obtain application for readmission and other information from the Records Office, Room 116, Administration Building, or from the Office of Continuing Studies.

REGISTRATION PROCEDURES

Important: See page VIII for statement concerning Summer Session fees.

Registration dates for the four summer terms of the Summer Session, 1974 are found in the Semester Calendar. Specific details of these registrations are as follows:

Pre-Summer Session: Registration for this term only will be on May 13. Students should report to the Field House for registration at the time they are assigned. Students are assigned registration times by student classification and should refer to the information card that is included in the packet of registration materials for these times. Registration materials will be mailed prior to the Pre-Summer Session registration and may be used for this term or any subsequent one. Although the "Registration Appointment Card" should be processed during registration, the time on this card should be ignored for Pre-Summer Session registration. Additional registration materials will be mailed to those who register for Pre-Summer Session courses so that subsequent registration may be possible.

First Summer and Extended Terms: Student must register on June 3 and June 4 for classes offered during the First and Extended Terms. Students may also register on these dates for courses offered during the Second Term. The time on the "Registration Appointment Card" must be used for this registration. The specific dates for adding and dropping courses are in the Calendar on page II. These dates must be observed in making course changes.

Second Summer Term: Students who have not previously enrolled for Second Term courses may do so on July 15. Students are also permitted on this date to add and drop

Second Term courses for which they have previously enrolled. A special "Add/Drop Appointment Card" will be sent to all students who have previously registered for courses. This time card will be sent to students prior to the Second Term registration.

- Important:**
1. The usual \$3.00 add-drop charge will not be made on course changes processed on July 15. The charge will apply on add-drops processed at any other time during the scheduled add-drop period. Students who fail to register during the regular registration period may register beginning on the first day of classes. These students will be charged a \$5.00 late registration fee on the first day and an additional \$1.00 each day thereafter.
 2. Students who do not register on June 3 or June 4 must report for the Second Term registration at the times indicated on the card accompanying the registration materials. These times are assigned by classification and must be followed.
 3. Remember, registration on June 3 and June 4 will insure space in courses taught during the Second Summer Term.
 4. Carefully read all instructions found in the registration materials.

At Memphis State University, the registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

- (1) Consulting with academic adviser
- (2) Obtaining registration materials
- (3) Securing class cards and paying fees
- (4) Changing enrollment status
 - (a) Change-of-course procedures
 - (b) Withdrawal procedures
 - (c) Change of college, major, or adviser
 - (d) Change of name of address

(1) Consulting with Academic Adviser

To begin the registration process, all students must see their academic adviser to obtain the "Student Schedule" form and secure the adviser's approval of their course selections. More specific instructions are as follows:

Current Students

Current students should consult with their academic adviser during the term preceding their next semester's registration and receive the "Student Schedule" form. It is the responsibility of the student to arrange to see his adviser at the earliest possible time. This should be done prior to the semester registration period. The University is open Monday through Friday, 8:00 a.m. to 4:30 p.m.

New Students (Undergraduates)

Freshmen and permanent transfer students registering for their first time must attend a session in which information concerning the registration process will be given. New students with less than 60 semester hours will be assigned an adviser in the University College. Students with more than 60 semester hours will be assigned an adviser in the department in which they plan to major. Students enrolled in the University College should go to the University College immediately after admission to the University and request the assignment of an adviser. This should be done prior to the information session. The University College is located on the first floor of Jones Hall.

New Students (Graduate)

New students in the Graduate School will be directed to an academic adviser following their conference with the dean of the Graduate School.

New Students (Evening Division)

New students enrolling in the Evening Division must attend the information session to be held in the University Center Ballroom. See Semester Calendar for date and time.

Readmitted Students

Students readmitted to the University for the Summer Session and having less than 60 semester hours will report to the University College, first floor of Jones Hall, to be assigned an adviser. This should be done immediately after readmission the University and prior to the registration period. Those students with 60 hours or more should report to the college in which they plan to major.

(2) Obtaining Registration Materials

The second major step in the registration process is obtaining registration materials. Registration materials consist of four basic elements: (1) a personal data form entitled "Student Information Form," (2) a card entitled "Registration Appointment Card," (3) a card entitled "Student Fee Card," and (4) a permanent ID card. Registration materials may be obtained as follows:

Current Students

Registration materials will be mailed to the permanent address of all students currently enrolled—with the exception of those students having outstanding financial obligations at the time registration materials are prepared and those suspended for academic reasons or those who are on academic probation.

New and Readmitted Students

New and readmitted students who have cleared all their admission requirements at the time registration materials are prepared will receive their materials by mail. Students not clearing in time to receive their materials by mail will be given a chance to obtain materials before the actual day of registration and will receive instructions on how to accomplish this.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, AND SPECIAL STUDENTS.

New students will be given information on ID cards in their information sessions. Current students who have lost their card may obtain a replacement by paying the replacement fee of \$10.00.

(3) Securing Class Cards and Paying Fees

Students having their "Student Schedule" form approved, their permanent ID card

made, and their registration materials are then prepared to enter the Registration Center to obtain class reservation cards and to pay fees. Important points to remember about this step in the registration process are:

- (1) Registration appointment times — For the June 3 and June 4 registration, enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." (See example on page VII.) Registration priority at Memphis State University is based on cumulative hours earned. For a complete statement of policy on registration priority, see page X.
- (2) Single registration for the First, Second, and Extended Terms—There will be a single registration for the First, Second, and Extended Terms of summer 1974. During the registration of June 3 and June 4, students will register for all courses which they plan to take during either of the three summer terms. A Change-of-Course Center will be set up to process Second Summer Term adds/drops on Monday, July 15. These times are reserved for students needing to make a change in their original schedule.

NOTE: It is recognized that some students planning to attend Second Term will not be able to register until July 15. While provisions will be made to see that the student does get registered, he is encouraged to register on June 3 or June 4 in order to insure space in classes.

- (3) Schedule conflict — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course number, section, time and credit agree with what they requested. Students will be assessed a "change of course" fee if it is necessary to make changes because of a scheduling conflict. Students should be careful to check the schedule for course offerings that might have changed. Up-to-date information can be obtained during registration.

(2) ENTER THE REGISTRATION CENTER ON THE DATE AND TIME SPECIFIED ABOVE TO OBTAIN CLASS CARDS AND PAY FEES.

REGISTRATION APPOINTMENT CARD

STUDENT: AFTER YOU HAVE OBTAINED CLASS CARDS, ENTER YOUR LOCAL ADDRESS AND CLASS SCHEDULE ON BACK OF THIS CARD.

- (4) **Maximum load** — An **undergraduate** student may enroll for a maximum of 7 semester hours in each of the two Summer Terms and 9 semester hours in the Extended Term. If the student enrolls in either of the Summer Terms and the Extended Term at one time, the maximum course load is 9 semester hours. The maximum course load for undergraduate students for the entire Summer Session may not exceed 14 semester hours, excluding credit earned in special courses which do not overlap one of the three formal terms.

The maximum number of hours a **graduate** student may enroll for during the Summer Session is 12. These 12 hours may be earned in one of several options: (1) 6 hours in each of the Six-week terms, (2) 12 hours taken in the Extended term with no work taken during the Six-week terms, or (3) a maximum of 4 hours in the Extended term and 4 hours in each of the Six-week terms.

All students may enroll for only one course during the Pre-Summer Session. This course may be taken in addition to the maximum hour load as specified in the above comments.

(5) **Special Courses**

Credit-No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found on page 53 of the 1974-75 undergraduate **Bulletin**.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form and secure adviser's signature, (2) go to department chairman's office in which course is taught and secure his approval, (3) obtain "Class Card Request" form from department chairman, (4) take completed permit form and "Class Card Request" form to the Registration Center at the appointed registration time.

Audit Courses — In order to register, the student must: (1) Obtain academic adviser's approval, (2) go to department in which course is taught and pick up "Class Card Request" form, (3) take "Class Card Request" form to the Registration Center at his appointed time.

- (6) **Payment of fees**— Registration is not completed until fees are paid. Since there will be no deferment of fee payment, students should not enter the Registration Center unless they are prepared to pay fees. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid; or billing authorizations for this term should stop at the "Scholarship and Authorized Billings" station in the Fee Payment Center.

Fees for the Summer Session Are:

Undergraduate	Resident	Non-Resident
Per Semester Hour	\$15.00	\$45.00
Graduate and Law	Resident	Non-Resident
Per Semester Hour	\$17.00	\$47.00

(4) **Changing Enrollment Status**

Once the student has completed his initial enrollment, he may find it necessary to change his enrollment status. Comments below outline those procedures to be followed in changing status.

Change of Course

After a student's registration is complete, he may—within specified time

limits—change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. Time limits for add/drop are outlined in the Summer Semester Calendar on page II. A fee of \$3.00 will be assessed for each course which is added or dropped, except on July 15. NO CHANGE OF COURSE IS PROCESSED UNTIL THE FEE HAS BEEN PAID.

Withdrawal Procedures

Students may withdraw from the University by notifying the appropriate University officials in person or in writing.

- (1) Undergraduate Students – Notify the Office of the Dean of Students, Room 118, Scates Hall
- (2) Evening Division Students—Notify Dr. William A. Brotherton, Dean of Continuing Studies, Room 134, Administration Building
- (3) Graduate Students – Notify Dr. Glen E. Peterson, Dean of the Graduate School, Room 180, Administration Building

Students who are enrolled for one course only must withdraw, not drop the course. Time limits for withdrawals are stated in the Semester Calendar on page II.

IMPORTANT: A student who enrolls for any of the terms of the Summer Session and who later decides not to attend, must withdraw from each term. Withdrawal is not automatic and failure to withdraw under these circumstances will result in grades of “F” being awarded.

Change of College, Major, or Adviser

Undergraduate students in the College of Arts & Sciences, Business, Education, and Engineering may change college, major, or adviser by making application to the College in which they are currently enrolled. The student should make sure that all advising files are forwarded to his new college. After being assigned an adviser, the student should come immediately to the Records Office.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his name and address current on University records. Opportunity for changing addresses is provided on the “Student Information Form” in the registration materials. However, in order to change social security number or name, the student must come to the Records Office in the Administration Building. Change of name may be processed only upon presentation of official court document showing the basis for the change. **THE DOCUMENT IS NOT RETAINED BY THE RECORDS OFFICE.** Students who change their address should leave a forwarding address with the post office so that all University mail will reach them at the new address.

IMPORTANT: All changes should be made early during the term to insure their processing before the next semester.

Final Examinations

During the Summer Session, final examinations are given on the day indicated in the calendar at the regularly scheduled meeting of the class. Each examination is ninety minutes in length and attendance is compulsory. Absence from a final examination without permission of the instructor incurs a grade of “F.”

GRADE REPORTS

Reports of grades for the Pre-Summer Session will be mailed at the end of that term. Grades received for the First, Second, and Extended Terms will not be mailed until the end of the summer.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADES EXCEPT BY THE OFFICIAL COPY SENT BY MAIL TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY PHONE.

COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
5000-5999	Courses offered in the Graduate School but open to seniors within 36 semester hours of graduation.
6000-9000	Courses open ONLY to those students fully admitted to the Graduate School

IMPORTANT: The course section numbers for the Summer Session carry special meaning. These numbers not only distinguish among different sections of the same course, but they also indicate which terms of the summer the sections are to be taught. All course sections beginning with an "O" are offered during the Pre-Summer Term; 100 section courses are taught the First Summer Term; those sections numbered 200 are taught the Second Summer Term; and 300 sections are taught the Extended Term.

ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the Summer Session. A complete statement of the policy regarding academic status and retention may be found in the University catalog.

REGISTRATION PRIORITY

Since it is impossible to register all students of the University at the same time, it is obviously necessary to establish some priority in the assignment of registration times. At Memphis State University, registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. The policy also has a pragmatic base since no other criterion of assignment seems to be as equitable and as easily administered.

It is recognized that a large number of students work. In fact, the majority of University students hold jobs either on or off campus. However, registration priority and associated registration appointment times cannot be based on the need to work precisely because

such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system on the criterion of a student having to work.

In the fall and spring, registration materials must be prepared before the end of these terms. Therefore, appointment times for the spring and summer terms must be based on cumulative hours earned at the beginning of the fall and spring terms rather than at the end.

Although the University is desirous of assisting summer transient students in obtaining the best possible program, a first obligation is recognized to native students continuing their program in the summer. Term Special students will, therefore, be awarded registration appointments on the basis of hours earned at the University only.
